## ADVANCED PROFESSIONAL SERIES UPDATE

**Course Information:** This ensures that course managers and students working toward the Advanced Professional Series Certificate of Completion are updated on new versions and changes in the course curriculum.

### REQUIRED COURSES (5)

***EOC Management and Operations, G275\**** – Course Manager: Tom Gilboy (301) 447-1535  
A revision is under development. It will have the same title as G275 but will be numbered IS775. It will be available first as a classroom course, then in web version. The revised course will supersede both IS275 and G275.

***Incident Command System/Emergency Operations Center Interface, G191*** – Course Manager: Tom Marlowe (301) 447-1060  
A revision is under development.

***Rapid Assessment Workshop, G250.7*** – Course Manager: Debbie Evans (301) 447-1139  
No change

***Recovery from Disaster: The Local Government Role, G270.4*** – Course Manager: John Hoyle (301) 447-1045  
The EMI resident course, E210, by the same title is also credited toward APS completion. There is a revision of E210 under development. After that has been revised, G270.4 will be revised.
